This is a Land Rover Defender 90, a 2.5 TD5 County Hard Top SUV SWB 3dr, first registered in 2004. As a van variant in the County trim, it combines practicality with the rugged appeal that Land Rover is known for. The vehicle is equipped with a bulkhead for enhanced safety and load separation, a heated rear window with wash wipe for improved visibility, and load anchorage points to keep cargo secure. It also features a cup holder for convenience on the go.

The Defender 90 stands out with its robust four-wheel-drive system, making it an excellent choice for those who need reliable off-road capability. The 2.5L diesel engine provides ample power and torque, ensuring it is well-suited for both challenging terrains and everyday tasks. The short wheelbase (SWB) enhances its agility, allowing it to navigate tight spaces with ease.
