This is a Ford Edge Sport, registered in 2017. As a TDCi Sport variant with the Sport trim, it boasts a 2.0L diesel engine and a four-wheel-drive drivetrain. This car meets Euro 6 emission standards and has only travelled a low mileage of 54,116 miles.

One of the great things about this particular vehicle is its fuel economy, achieving around 48 miles per gallon, which means fewer trips to the petrol station compared to similar cars. It also offers a large boot space, making it an ideal choice if you often need to transport bulky items or luggage.
