This is a Ford Puma ST-Line X, registered in 2022. As a car with a 1.0L petrol hybrid engine, it combines efficiency with modern technology. The ST-Line X trim adds a sporty edge and enhanced features. It boasts a B&O Premium Audio System with Ford SYNC 3 Navigation, ensuring a top-tier infotainment experience with Android Auto, Apple CarPlay, and Bluetooth connectivity. The convenience of a wireless charging pad is paired with Electronic Air Temperature Control (EATC), including climate control, for a comfortable cabin environment. Parking is made easier with rear parking sensors, and the Driver Assistance Pack 1 includes automatic headlights for added safety. Having had only one owner and driven a low mileage of 15,300 miles, this Puma is ready for its next adventure.

This Puma stands out with its impressive fuel economy of 52 mpg, meaning fewer trips to the petrol station and more money in your pocket compared to similar vehicles. Its low CO2 emissions also mean you'll be contributing less to environmental pollution, and potentially benefit from lower road tax.
