This 2017 Kia Sportage GDi 2 is a car that combines practicality with modern technology. Featuring a 1.6L petrol engine and a Euro 6 emission class, this Sportage trim 2 offers a blend of efficiency and functionality.

Equipped with rear parking sensors, including parking assistance, manoeuvring is made easier. The inclusion of Apple CarPlay and Android Auto, along with Bluetooth connectivity that features voice recognition and music streaming, ensures you stay connected on the move. Automatic headlight control adds convenience, while the reversing camera system, integrated into the satellite navigation screen, provides additional assistance when parking. The Kia Sportage also benefits from a large boot space, making it more practical than other similar vehicles. Furthermore, its low insurance group means it could be more affordable to insure than other comparable cars.
