This 2021 Nissan Navara 2.3 dCi Tekna Auto 4WD Euro 6 4dr boasts exceptionally low mileage for its age, having covered just 38108 miles, and has been owned by only one careful owner. This robust four wheel drive pickup is powered by an efficient 2.3 litre diesel engine and meets Euro 6 emissions standards. The Tekna trim level offers a host of desirable features, including heated front seats for added comfort, a 360 degree around view monitor and rear parking sensors for effortless manoeuvring, and a rear view camera. Automatic on off headlights with a follow me home function provide added convenience and safety.

With a notable fuel economy of 38 miles per gallon and an impressive payload capacity of 1115 kg, this Navara demonstrates its capability and efficiency, indicating it is better equipped for both work and leisure than many similar vehicles. Furthermore, its substantial towing weight of 3500 kg makes it an ideal choice for those needing to transport heavy loads or trailers.
