With only two previous owners and very low mileage for its year, this 2015 Ford Focus TDCi Zetec is a great find. The Zetec trim, combined with a 1.5L diesel engine, offers a blend of efficiency and practicality. It also features a manual air conditioning system and a Bluetooth handsfree phone system.

This Focus stands out with its impressive fuel economy of 74 mpg, meaning fewer trips to the petrol station. The low CO2 emissions contribute to reduced road tax and environmental impact, making it a responsible choice. Plus, the large boot space offers practicality, making this vehicle a compelling option in its class. It is also Euro 6 compliant.
