This Ford Fiesta Vignale, registered in 2020, combines stylish design with practical features. As a Fiesta T Vignale with the Vignale trim, it offers a touch of luxury in a compact package. The 1.0L petrol engine meets Euro 6 emission standards, making it a responsible choice for the environment.

The car includes the Comfort Pack, which features heated seats and a heated steering wheel, perfect for those chilly mornings. The Ford KeyFree System adds convenience with its keyless entry. The NCAP Pack, including automatic headlights, enhances safety. The opening panorama roof, complete with a panoramic sunroof, brings an airy feel to the cabin. The automatic on-off headlights with high beam further improve visibility. The car's low CO2 emissions make it an environmentally conscious option, and it accelerates from 0 to 62mph in 9.0 seconds, demonstrating its responsive performance.
