With only two previous owners, this 2016 Ford Fiesta Titanium is a great example of a well-maintained hatchback. The Fiesta, a T Titanium variant, is powered by a responsive 1.0L petrol engine and meets the Euro 6 emission standards. Inside, you'll find a Sony CD Radio with DAB, Ford Sync, and Bluetooth connectivity, ensuring you stay entertained and connected on the go. The Electronic Automatic Temperature Control, including climate control, allows you to set your preferred cabin temperature for maximum comfort, whatever the weather.

One of the car's key selling points is its impressive fuel economy, achieving around 58 mpg, which means lower running costs compared to similar vehicles. This Fiesta combines practicality with modern features, making it an ideal choice for city driving and longer journeys alike. It's a dependable and economical option in the popular Fiesta range.
