Silver

Automatic

30

£265

With only 66104 miles on the clock, this 2016 Ford Edge is a fantastic opportunity to own a vehicle with low mileage for its age. As a TDCi Sport variant with Sport trim, this Ford Edge is equipped with a 2.0L diesel engine and a four-wheel-drive drivetrain. It meets Euro 6 emission standards. The vehicle boasts a Sony DAB premium audio system with navigation, featuring 12 speakers, Bluetooth connectivity, and a branded sound system. The SYNC 3 system includes Bluetooth and voice control, accessible through an 8-inch colour touchscreen, along with emergency assistance.

Convenience is enhanced with a hands-free power tailgate and keyless entry. Front and rear parking sensors, along with a rear-view camera, make parking straightforward. The Ford Edge also stands out with its large boot space, offering more practicality than similar vehicles.
