£20

With only two previous owners and low mileage for its year, this 2017 Ford Focus Titanium T is a great find. Equipped with a 1.0L petrol engine and meeting Euro 6 emission standards, this Focus combines efficiency with modern technology. The Titanium trim adds a touch of luxury and convenience, with features like rear parking distance sensors and automatic headlights to simplify driving. Enjoy the comfort of dual-zone electronic automatic temperature control, along with the ease of keyless entry. The Ford SYNC3 DAB navigation system ensures you stay connected and on the right track.

This Focus stands out with its impressive fuel economy, achieving up to 60 mpg, meaning fewer trips to the petrol station. The low CO2 emissions are better for the environment, and the large boot space offers practicality for shopping, luggage, or anything else you need to carry. This Ford Focus offers a compelling package of economy, features and space.
