Ford Mondeo

2.0 TDCi Titanium Hatchback 5dr Diesel Powershift Euro 6 (s/s) (180 ps)

£9,599

Diesel

59 MPG

2.0 Litre

65040 Miles

3

White

Automatic

27

£165

With only 65,040 miles on the clock, this 2016 Ford Mondeo is a particularly appealing example, offering both value and modern features. As a TDCi Titanium model with the Titanium trim, it features a 2.0L diesel engine and meets Euro 6 emission standards. The car is equipped with front and rear parking sensors, including parking assistance, making parking in tight spots much easier. Automatic headlights with auto high-low beam provide enhanced visibility, while the dual-zone electronic automatic temperature control ensures a comfortable environment for both driver and passengers. Lane Keeping Aid with Traffic Sign Recognition adds an extra layer of safety, and the keyless entry and start system offers added convenience.

The Mondeo's large boot space makes it more practical than many similar vehicles, ideal for families or anyone needing to transport larger items. Furthermore, acceleration from 0-62mph in just 8.6 seconds means that this car is more responsive than other similar vehicles, offering a blend of performance and efficiency for everyday driving.
