£345

This 2016 Land Rover Range Rover TD V6 Vogue SE presents a remarkable opportunity with its low mileage of just 85,700 miles for its age. This sophisticated model, featuring a powerful 3.0L Diesel Engine and Four Wheel Drive capability, adheres to the Euro 6 emission class. The Vogue SE trim level ensures a premium experience, complemented by notable features such as Three Zone Climate Control for personalised comfort, a Rear Camera Parking Aid with Hitching Guidance to simplify manoeuvring, and Adaptive Cruise Control with Queue Assist and Emergency Braking for enhanced driving ease. The Heated Leather Steering Wheel with Multifunctional Controls offers both warmth and convenience, while the Fixed Panoramic Roof floods the cabin with natural light.

The impressive acceleration of 0-60mph in just 7.4 seconds demonstrates the dynamic performance of this Range Rover, a testament to its robust 3.0L Diesel Engine. This vehicle also boasts a substantial boot space, making it exceptionally practical for all your needs, whether for daily errands or longer journeys. Furthermore, its towing weight of 3500 kg means it is well equipped to handle significant loads, setting it apart from many other vehicles in its class.
